

## 2011 Japanese Runners

**Mr. Yoshiaki Yoshida**

**Mr. Yuko Uchida & Wife**

**Ms. Momoko Tanaka**

**Ms. Aiko Sami**

Mr. Yoshiaki Yoshida (male under 40) has been running a little less than 2 years, and he likes trail runs. He is looking forward to the variety of exchanges between the countries, and would like to feel the American cultural and customs and make them his special experience.

Mr. Yuko Uchida (male over 40) has been running for 5 years. He likes traveling abroad and reading. He and his wife both like Disneyland and Disney Sea, so they moved near the Tokyo Disney Resort in Japan. Mr. Uchida appreciates the exchange opportunity at this challenging time. He would like to enjoy his first overseas race and is aiming at being a senior prize winner. He also wants to actively interact with Orlando citizens.

Ms. Momoko Tanaka (female under 40) likes basketball, soccer, and dog walking. This is her first overseas half marathon, and she would like to enjoy the run while feeling the Orlando breeze. She is looking forward to it and thanks everyone for their support.

Ms. Aiko Sami (female over 40) have been running for 10 years. She also likes mountain climbing, softball, calligraphy, and road biking. She would like to set her personal best at the OUC half marathon by breaking her record of 100 minutes.
